YUVA JAGRATI

(Youth Awareness Programme)

Swami Vivekananda had a great vision for the youth of our country. With a clear philosophy of life along with proper understanding of values and culture, youth can be developed into beacon lights. The presence of such youth in the society can make a huge difference in the process of **Nation Building**.

For achieving this purpose Ramakrishna Math, Ulsoor, Bangalore has initiated a **Youth Awareness Programme - Yuva Jagrati** - through spreading Swami Vivekananda's Message to the Youth. About 500 colleges in Karnataka are identified for this programme.

The programme consists of

- **Meeting the students in college**
- **Gifting of Swami Vivekananda's literature to the College Library.**
- **Encouraging the students to form 'Vivekananda Study Circle'.**
- **Distribution of a complementary book 'Swami Vivekananda - His Call to the Nation' to all participants.**

Details of March-April 2009 programmes are given over leaf.

Wish you a happy Ugadi

All are cordially invited.

Yours in service,

Swami Veetabhayananda

President

Co-organized by:

Prof. Sundar Raj, President,

'College to College Vivekananda'

Swami Vivekananda Prasara Kendra, Bangalore.
