YUVA JAGRATI (Youth Awareness Programme)

Swami Vivekananda had a great vision for the youth of our country. With a clear philosophy of life along with proper understanding of values and culture, youth can be developed into beacon lights. The presence of such youth in the society can make a huge difference in the process of **Nation Building**.

For achieving this purpose Ramakrishna Math, Ulsoor, Bangalore has initiated a **Youth Awareness Programme - Yuva Jagrati** - through spreading Swami Vivekananda's Message to the Youth. About 500 colleges in Karnataka are identified for this programme.

The programme consists of

- Meeting the students in college
- Gifting of Swami Vivekananda's literature to the College Library.
- Encouraging the students to form 'Vivekananda Study Circle'.
- Distribution of a complementary book 'Swami Vivekananda - His Call to the Nation' to all participants.

Details of March 2009 programme are given over leaf.

All are cordially invited.

Yours in service,
Swami Veetabhayananda
President

Co-organized by:

Prof. Sundar Raj, President,

'College to College Vivekananda'

Swami Vivekananda Prasara Kendra, Bangalore.

Note: Our Publications will be kept for exhibition cum sales during the Programme.
